But getting stronger
healthier. I owe alot to
[REDACTED] Her name
[REDACTED] Call her my
Filipina sometimes. I'm
proud of her. According to
Katie mac I'm not allowed
to call her "my Filipina"

Really appreciate u
chatting trying to keep it
short

Your alarm call your

There are many forms of racism and if ur gf is being attack of course u can experience it too. People are ignorant about what it actually feels like to be a minority and in the minority try to to sweat or put yourself in a place where you're not heard or understood for whatever reason.

Omg Katie mac

Is an evil bitch

I should avoid all this I know

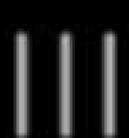

Times are crazy right now

Please be safe

My fam is Royal that Katie triggered somethunin me hahah

Taken what's mine in this world. My fam is special

Mess...

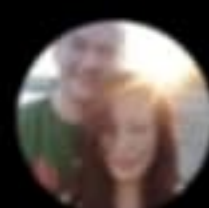

Matthew

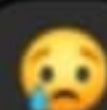

But I'm fucking scarred

Won't say. I'm close too
Vancouver

We are all very scarred

The 4 cities around me

That really sucks the best
thing you can do is isolate

I have guns

I feel I'm strong an can
protect myself an fam

But people outside are
really loosing it

And I get fucking attacked
in a support group .Jesus.

Make sure you and are girl
are safe and being
cautious and sanitary
