To the Board Members of Breaking Code Silence:

This letter will serve as a formal notice for resignation as a Board Member of Breaking Code Silence, which will take effect immediately.

Due to constant hostile comments from another board member towards me, I believe that I am not able to fulfill my duties being a board member. With that being said, I hope that everyone will be able to continue working and being able to achieve even more than what we have done over the last few months.

Though my resignation is effective immediately, I will make myself available to Jenny Magill, Katherine McNamara, and Bill Boyles to help with the transfer of any unfinished business that I am involved in.

Best regards,
